

Dear Friends & Neighbors,

The Union Dale Volunteer Fire Company would like to thank each of you who so generously supported last year's Fund Drive with your selfless contributions. This year, we ask you to once again extend your support. As you know, Our Fire Company is made up entirely of volunteers, without any motivation other than to assist our neighbors. The firefighters and emergency services personnel of our company respond to numerous fire calls, accidents, and medical emergencies at all hours of the day and night. In addition, we attend hours of training and drills. Our Fire Company has held our annual fireman's picnic for more than 50 years, although it is a great deal of work, we love having the opportunity to see all of our friends and neighbors and spend time with them and at the same time help make money to keep the fire company thriving. The Union Dale Volunteer Fire Company is here for every member of our community and surrounding communities.

We are proud that our fire company continues to grow and advance in training and in its commitment to better our equipment and technology to serve you. This past year, we trained a few members to become First Responders, who join the ranks of those who give back to the community on a daily basis. Your contribution will make the fire company even better, stronger, and ready to serve. Help us continue our proud tradition of 54 years of service.

Thanks to your generous contributions and your help and support at our fundraisers we were able to add an additional two bays to accommodate our new truck, A 1989 six man cab Pierce Arrow Fire Engine.

Without your help and support we would not be able to achieve our goals.

We do our part to respond to every emergency our neighbors could face. We also provide mutual-aid to surrounding communities. Please consider joining our efforts by making your tax deductible contribution in the enclosed envelope.

The Union Dale Volunteer Fire Company thanks you in advance for your kind and generous donation. We understand that we are all living in a difficult economy and we are grateful for your support not only in supporting our fund drive but for your support throughout the year.

Best Regards,

The Officers and Members of the Union Dale Volunteer Fire Company.
