

Dear Friends & Neighbors,

The Union Dale Volunteer Fire Company would like to take time to thank each of you who so generously supported last year's Fund Drive with your selfless contributions. Once again, we are kindly asking for your support.

Our Fire Company is made up entirely of volunteers, without any motivation other than to assist our neighbors in their time of need. The firefighters and emergency services personnel of our company respond to numerous fire calls, accidents, searches and medical emergencies at all hours of the day and night. In addition, we attend hours of training and drills. Our Fire Company has held our annual fireman's picnic for more than 50 years. Although it is a great deal of work, we look forward to having the opportunity to see all of our friends and neighbors and spend time with them. While at the same time, help make money to keep the fire company thriving. The Union Dale Volunteer Fire Company is here for every member of our community and surrounding communities.

We are proud that our fire company continues to grow and advance in training and in its commitment to better our equipment and technology to serve you. Your contribution will make the fire company even better, stronger, and ready to serve. Help us continue our proud tradition of 57 years of service.

In the early months of 2015, we were kindly donated a snow mobile and trailer by a local resident to help us assist in rescues and emergencies which are sometimes hard to get to by vehicle. Through community donations and a grant, we were able to acquire a SNOWBULANCE. This unique polyethylene constructed rescue unit is fully enclosed and has enough room for the stretcher/backboard and one or two attendants.

We do our part to respond to every emergency our neighbors could face. We also provide mutual-aid to surrounding communities. Please consider joining our efforts by making your tax deductible contribution in the enclosed envelope.

The Union Dale Volunteer Fire Company thanks you in advance for your kind and generous donation. We understand that we are all living in a difficult economy and we are so grateful for your support not only in supporting our fund drive but for your support throughout the year.

Best Regards,

The Officers and Members of the Union Dale Volunteer Fire Company
